

Environmental Code of Conduct

I understand the **Nature Island Dive** is a Green Fins member and operates in compliance with the Green Fins Code of Conduct to protect the reefs and marine environment I am here to see. I agree to follow the guidelines and Code of Conduct laid out by **Nature Island Dive** staff.

I understand that if I do not follow these guidelines I may cause damage to the marine environment and may face consequences of termination of activities without the possibility of a refund.

- I will not touch anything underwater
- I will not wear gloves
- I will not feed the fish or any marine life
- I will not leave any trash, including cigarettes, on the boat or in the sea
- I will not chase, harass or excessively use strobes / flash on any marine life
- I will only use a muck stick responsibly – not to poke, prod or manipulate marine life
- I will maintain good buoyancy and stay clear of the reef at all times to prevent damage
- I will not participate in spearfishing if it targets species vital to the ecosystem balance
- I will only use Reef Safe sunscreen
- I will allow my dive / snorkel guide to correct any damaging behaviour I exhibit towards marine life.
